

Which Permit Application do I need?

Packet A

Apply for a Packet A permit if you are building on an individual lot that is part of a permitted project.

Packet B

If disturbing 1 acre or more contact the Hendricks County Surveyor's Office at (317)745-9237.

Packet C

Apply for a Packet C permit if building a structure that is 500 square feet or more or disturbing more than 5,000 square feet of land. Project also needs to be less than 1 acre and not within a permitted project.
